EVENT DATES: December 12th to 14th 2023

NOTES: All areas over 400 square feet and any lanes over 300 square feet will have permits. Fairs and displays that are together or are supported by less than 10 feet are considered same.
 All generators with greater than 40 gallons of fuel will have permits.
 Fire extinguishers will be provided by the tent vendor for all tents contracted.
 All customer pit areas are required to have readily available a 2 1/2 A-10 BC type fire extinguisher per every 200 square feet.
NOTES: All permits and generators will be contacted and work will be permitted by Starline One Events.
NOTES: All tent handling will be controlled and all generators will be placed in the Starline. All items will apply for all tent related permits.
NOTES: All emergency access points are monitored and secured. Guards are radio equipped with the ability to communicate with on-site EMT and Event Director.
 Event track is delineated and constructed with plastic barriers and connected with plastic which are able to be moved immediately should any first responder need additional access to the race surface.
