

FZSHIFTER

SUPPLEMENTAL REGULATIONS

To: SUPERKARTS USA!
Date: May 5, 2025
Re: Pro Kart Challenge Round 4 [FZ Shifter Supplemental]
Event Date: June 21-22, 2025

1. Spec Gear Ratio:	Front Sprocket	Rear Sprocket
FZ 65cc	15z	22z
FZ 85cc	14z	22z
FZ 125cc	18z	23z

2. Inlet Silencers

FZ 125cc category will be required to utilize the Righetti NOX airbox with 30mm standard inlet tubes. There are to be no modifications from the design and manufacturing of the airbox and the OEM filter must be utilized with no alterations. A sample piece of the Righetti NOX airbox can be used to verify measurements against any competitors airbox.

- 2.1 The orientation of the airbox inlet tubes (top piece) is free to position in the forward or reverse direction. Inlet tubes must be fully installed per the design of the airbox.
